Study the two diagrams below and indicate which one (A or B) represents the sound [k]. Explain your choice. (10)

Examine the illustrations C and D below and indicate which one represents the sound [q] and explain your choice phonetically. (10)

Combine each set of letters to form word and write it on the first blank line. Then write its pronunciation in transliteration. (20)

1. ب + ق + ر + ئ = 
2. ی + خ + ر + ق = 
3. ح + د + ي + ث + ئ = 
4. ش + و + ق = 
5. ت + ف + س + ي + ر =
